LEXINGTON, KY

The annual Amteck Quick Start Program offers paid training for 4 weeks, running June 8th through July 2nd with immediate hiring opportunities upon completion. Participants receive hands-on instruction in the fundamentals of basic electricity, construction applications, and critical job safety practices. **To be considered for this program, you must have a current and valid driver's license.**

All participants will receive a starter tool set to help launch their careers in the electrical trade. Upon successful completion, participants are hired full-time at \$16/hour and placed into roles such as electricians, low voltage/fire alarm technicians, or other entry-level positions at Amteck.

Once employed full-time, employees are eligible to enroll in our apprenticeship program, which offers pay raises every six months with each completed semester. Many graduates advance into roles like foreman, superintendent, estimator, or procurement associate.
